DISCLAIMER

This document has been prepared by CTT – Correios de Portugal, S.A. (the “Company” or “CTT”) exclusively for use during the fall roadshow investor meetings. As a consequence thereof, this document may not be disclosed or published, nor used by any other person or entity, for any other reason or purpose without the express and prior written consent of CTT. This document (i) may contain summarised information and be subject to amendments and supplements, and (ii) the information contained herein has not been verified, reviewed nor audited by any of the Company’s advisors or auditors.

Except as required by applicable law, CTT does not undertake any obligation to publicly update or revise any of the information contained in this document. Consequently, the Company does not assume liability for this document if it is used for a purpose other than the above. No express or implied representation, warranty or undertaking is made as to, and no reliance shall be placed on, the accuracy, completeness or correctness of the information or the opinions or statements expressed herein. Neither the Company nor its subsidiaries, affiliates, directors, employees or advisors assume liability of any kind, whether for negligence or any other reason, for any damage or loss arising from any use of this document or its contents. Neither this document nor any part of it constitutes a contract, nor may it be used for incorporation into or construction of any contract or agreement.¹

This document has an informative nature and does not constitute, nor must it be interpreted as, an offer to sell, issue, exchange or buy any financial instruments (namely any securities issued by CTT or by any of its subsidiaries or affiliates), nor a solicitation of any kind by CTT, its subsidiaries or affiliates. Distribution of this document in certain jurisdictions may be prohibited, and recipients into whose possession this document comes shall be solely responsible for informing themselves about, and observing any such restrictions. Moreover, the recipients of this document are invited and advised to consult the public information disclosed by CTT on its website (www.ctt.pt) as well as on the Portuguese Securities Market Commission’s website (www.cmvm.pt). In particular, the contents of this presentation shall be read and understood in light of the financial information disclosed by CTT, through such means, which prevail in regard to any data presented in this document. By attending the meeting where this presentation is made and reading this document, you agree to be bound by the foregoing restrictions.

FORWARD-LOOKING STATEMENTS

This presentation contains forward-looking statements. All the statements herein which are not historical facts, including, but not limited to, statements expressing our current opinion or, as applicable, those of our directors regarding the financial performance, the business strategy, the management plans and objectives concerning future operations and investments are forward-looking statements. Statements that include the words “expects”, “estimates”, “foresees”, “predicts”, “intends”, “plans”, “believes”, “anticipates”, “will”, “targets”, “may”, “would”, “could”, “continues” and similar statements of a future or forward-looking nature identify forward-looking statements.

All forward-looking statements included herein involve known and unknown risks and uncertainties. Accordingly, there are or will be important factors that could cause our actual results, performance or achievements to differ materially from those indicated in these statements. Any forward-looking statements in this document reflect our current views concerning future events and are subject to these and other risks, uncertainties and assumptions relating to the results of our operations, growth strategy and liquidity, and the wider environment (specifically, market developments, investment opportunities and regulatory conditions).

Although CTT believes that the assumptions beyond such forward-looking statements are reasonable when made, any third parties are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of CTT, what could cause the models, objectives, plans, estimates and / or projections to be materially reviewed and / or actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements.

Forward-looking statements (in particular, the objectives, estimates and projections as well as the corresponding assumptions) do neither represent a commitment regarding the models and plans to be implemented, nor are they guarantees of future performance, nor have they been reviewed by the auditors of CTT. You are cautioned not to place undue reliance on the forward-looking statements herein.

All forward-looking statements included herein speak only as at the date of this presentation. Except as required by applicable law, CTT does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

An aerial photograph of a road bridge crossing a large body of water. The bridge is a multi-lane road with a central median and side lanes. A red car is visible on the bridge. The water is a deep green color. The sky is blue. The bridge has a modern design with a wide median and side lanes. There are some trees and bushes on the land near the bridge. The overall scene is a scenic view of a modern infrastructure project.

Equity story in brief

Continued volume growth in E&P Iberia

Express & Parcels

E&P Iberia | CEP Volumes

million items; % change vs. prior year

High quality and efficiency

- Maintain a quality service with high delivery efficiency rates despite an increase in daily volumes

Adding new services

- New customs clearance unit in Madrid significantly reducing cost and delivery times for out-of-EU volumes
- Handling returns
- ~1,000 lockers in Portugal and >13,000 convenience points in Spain

Onboarding of relevant new customers & increasing volumes from existing customers

- New large international e-sellers
- Focus on diversifying towards smaller clients¹ continued during 2023

CTT is capturing market share

¹Clients with daily volumes below 20,000 items

²E-commerce market share in 2023, estimated by CTT. In Spain, excludes Amazon Logistics. In Portugal considers domestic volumes.

	+84.1%	+19.3%	+8.3%	+53.6%	+36.4%

Financial Services Express & Parcels Mail & Other Bank

Peak season should be another record quarter for E&P

Mail revenues showing clear signs of improvement in October

Public debt placements significantly higher following signalling a strong 4Q24 for FS

Express & Parcels

Fastest growing Logistic player in Iberia

- 4th Largest market in Europe
- Strong volume and revenue growth opportunity leveraging on market convergence
- Market share expansion due quality and efficiency, commercial proactivity and new and differentiated service
- Margin expansion via operational leverage of investments already executed.

Banco CTT

Fastest growing retail Bank in Portugal

- Already sizeable client base that keeps on growing.
- Main growth opportunity comes from growing balance sheet increasing engagement with clients
- Partnership with Generali results in additional capital to keep growing in and off-balance sheet offer (bancassurance).

Mail

Stable business with regulated mail price mechanism and efficiency measures

- Aiming at revenues stabilisation via price increases and better product mix.
- Working on offsetting normal labour cost should inflation through additional cost saving measures

Financial Services

High margin savings and insurance business leveraging on the retail network

- Continue to broaden the services offering in CTT retail network.
- Performance of public debt placements this year remains, at this point, below normal runrate.

Balance Sheet & Future Prospects

Solid balance sheet provides inorganic growth optionality while maintaining an attractive shareholder remuneration

- Solid balance sheet to provide attractive shareholder remuneration and enable organic and inorganic growth
 - Inorganic growth to be primarily focused on e-commerce and Spain
- Guidance points towards mid-single digit revenue growth which should enable an expansion of recurring EBIT
